Dear Wiley Loyd,

The BEET (Burrell Employee Engagement Team) would like to **CONGRATULATE** you on your nomination for the Above & Beyond award. As you know, this award is driven by your co-workers and they believe that you go Above and Beyond for our company and the people we serve!

Along with the nomination you received, your co-workers had the following to say about you:

"Wiley has worked diligently to develop creative scheduling tools to make scheduling for psychiatry easier for other departments and to decrease errors. [He also maintains excellent relationships with the medical providers, nursing staff, client access, connections center, and supervisors in other departments in Southwest and Central region.]"

Thank you for your hard work and dedication to the mission of Burrell. Because of employees like you, Burrell is a step closer to becoming "The Best Place to Work." To be nominated for this award by your co-workers speaks highly of you and all that you bring to Burrell.

BEET thanks you for your dedication to the company. We feel your nomination is deserving of recognition and would like to include your name in a companywide e-mail. However, if this is something you are uncomfortable with, please e-mail BEET@Burrellcenter.com by Monday, March 29 and we will be sure to remove your name.

Congratulations and thank you again!
